

The image shows the front cover of a book. The cover has a green, pebbled texture. In the upper half, there are four small, downward-pointing triangles arranged in a slightly curved line. Each triangle contains a number: the leftmost contains '1', the next contains '9', the next contains '5', and the rightmost contains '5'. Below these triangles is a large, stylized, dark green 'V' shape. The 'V' is composed of two overlapping shapes, creating a sense of depth. Inside the right-hand side of the 'V', the words 'THE ROAR' are printed in a white, serif, all-caps font.

FOREWORD

Another school year has come and gone, the last for the Seniors of 1955, never to be recaptured except through memories. It is the sincere desire of the annual staff and its sponsors that this edition of the Roar will help to recapture some of these memories in years to come.

My Dear Student Friends:

May this high school just be a beginning for you. Set your goal on a higher education and strive to reach that goal. Choose your vocation and prepare yourself to meet life's problems in that work.

When you work, do your work well, be happy by making others happy, and never let an opportunity pass to say a kind word or encouraging word to or about someone.

The faith which this community has placed in you demands nothing but the best. Make up your mind to live such a life, both inside the school and later in the great world outside, that the New Deal Community will be proud of you.

May "The Roar" keep alive the memory of friends and the glorious spirit of New Deal High School.

Always your friend,

Dear Students

For those of you that are finishing your high school days this year, let's hope that the foundation you have built thus far will without a doubt, be substantial enough to hold the stress and strain that one may encounter in life. Let's hope also that each of you will be able to strengthen your foundation by seeking further education.

For those of you who are still in the process of building your foundation, let's hope that you act wisely in your choice of materials and that you are both critical and constructive in your evaluation.

May the pages of "The Roar" hold many happy memories for all of you for years to come, and may they represent a step in the right direction for your success in life.

Sincerely yours

ARCHIE ACKER
PRINCIPAL GRADE SCHOOL

To the students of the New Deal Grade School

I want to talk to you a few moments on the subject of HONESTY. First, you should always be honest with God. It is impossible to deceive him. Logical reasoning would make it foolish to attempt the impossible.

Second, be honest with all people. You might be able to deceive a few. However, most people will be able to see through your dishonesty. Honesty will insure lasting friendships.

Third, be honest with yourself. You will very seldom, if ever, be able to convince yourself that dishonesty has any advantages for you or anyone. If you constantly practice honesty, your conscience will always warn you when dishonesty is about to take over.

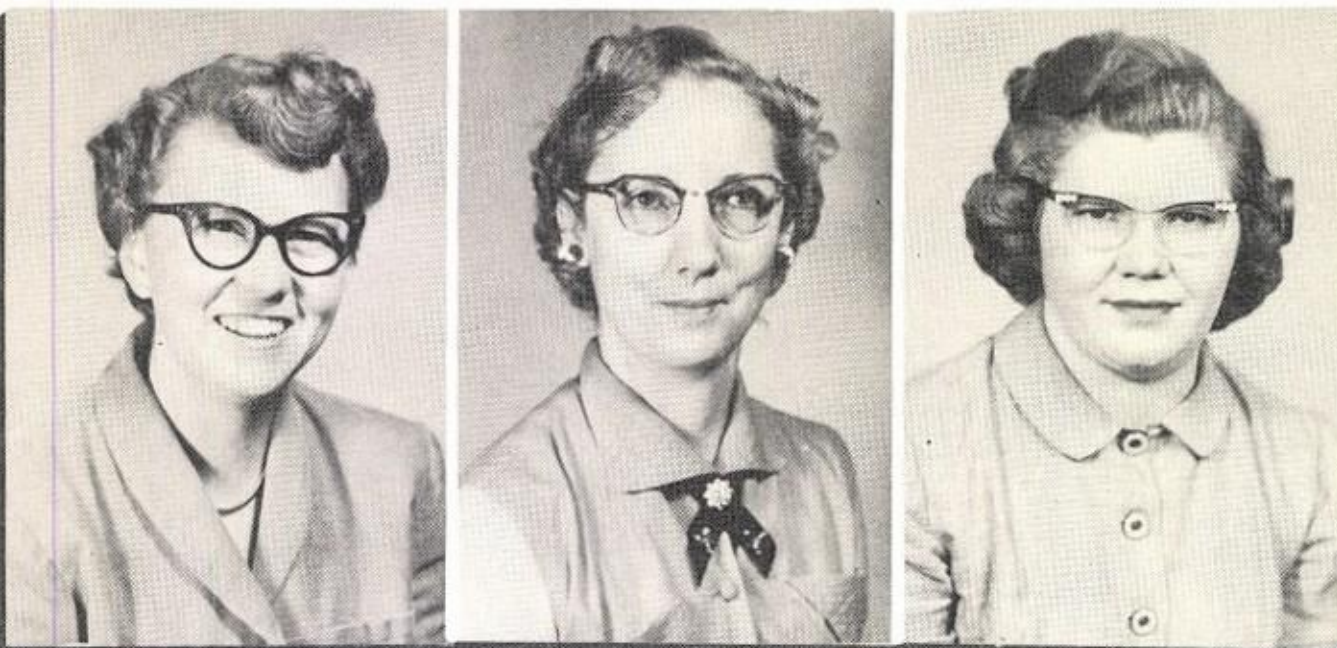

Always remember that honesty is the basis of every satisfying life. No person can be successful or be completely happy as he journeys through this life here on earth if honesty is not a very vital part of his inner nature.

Sincerely yours

Coach Charlie White, in his first year of directing the Lion's Football strategy.

Right: Co-Captains James Perkins 82 and Bill Kelley 99, both are seniors playing their last season. They provided the needed examples of leadership and competitive spirit, so essential for a young and inexperienced squad that improved steadily throughout the season.

Top Row: G. Smith, Phillips, Bigbie, Williams, Berg, Perkins, Kelley, Ashmore. Second Row: Assistant Coach Laminack, Snider, Price, Deavours, Nash, Carl Teeter, C. L. Cowan, Weiss, Castner, Coach White. Third Row: Walden - Manager, R. Smith, Worthan, Prestridge, Cox, Greenhill, D. Cowan, Carroll Teeter, Emery, and Hogan - Manager.

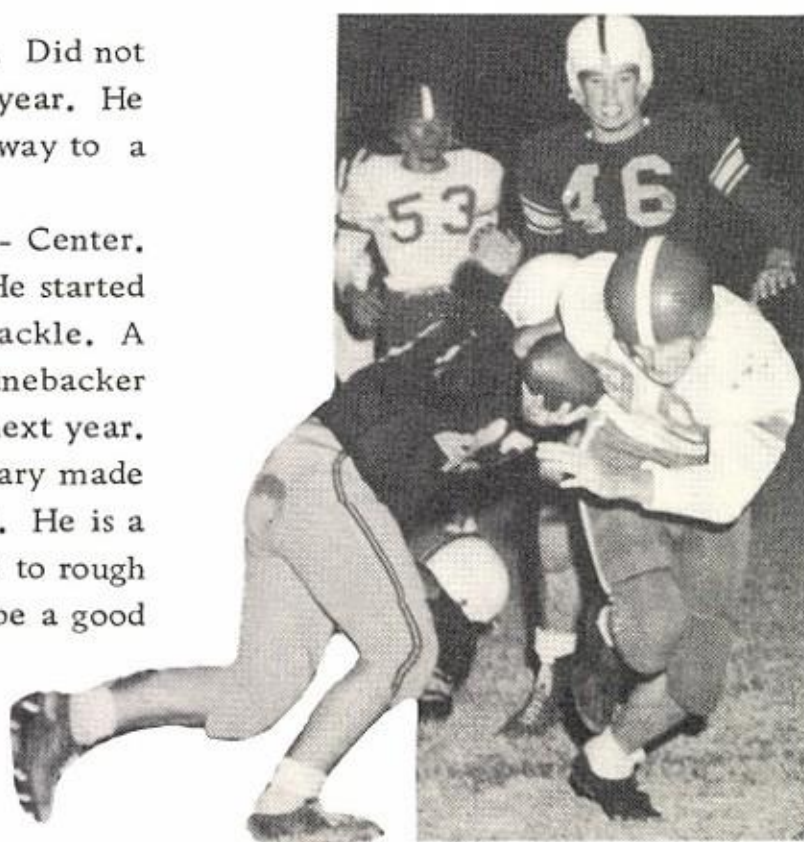

Above:

Arthur Berg 84 - Sr. - Center. Did not play any football until this year. He started slow but fought his way to a starting position at center.

Sammie Williams 22 - Sr. - Center. Sammie is a versatile boy. He started at center and was shifted to tackle. A good fast blocker that played linebacker on defense. Will be missed next year.

Gary Smith 33 - Jr. - End. Gary made the starting line-up at end. He is a good pass receiver. Needs to rough it up a little bit and he will be a good end.

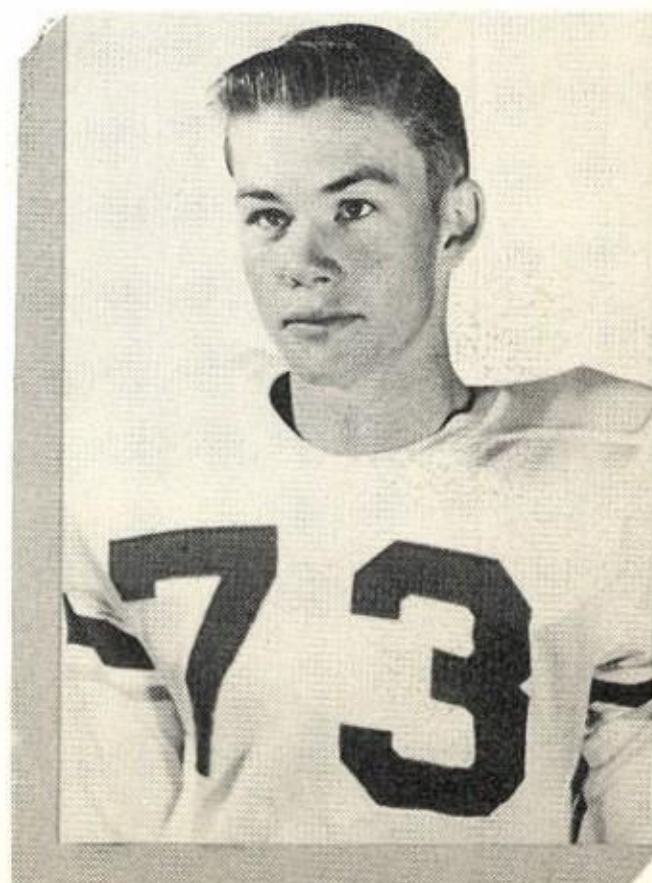

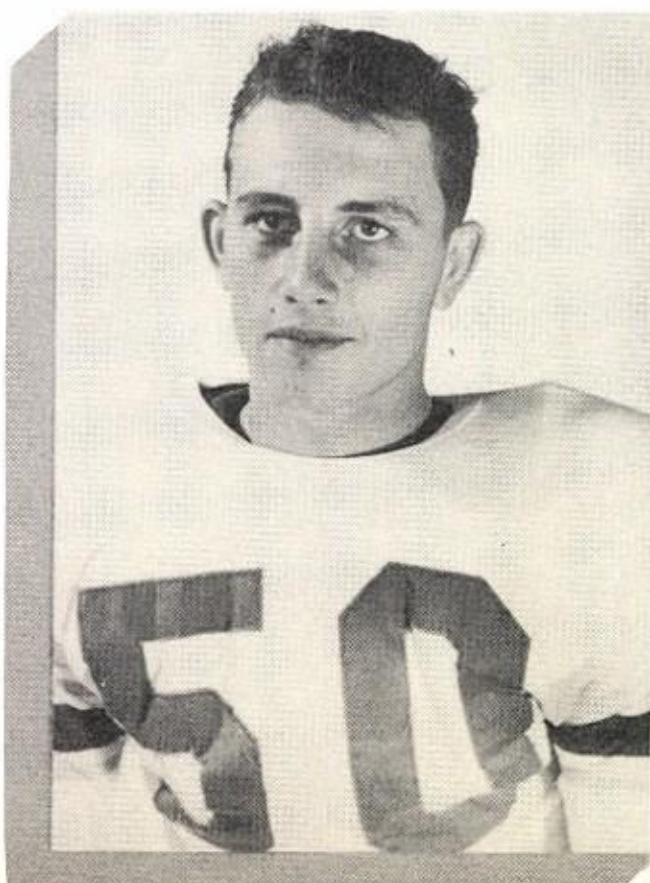

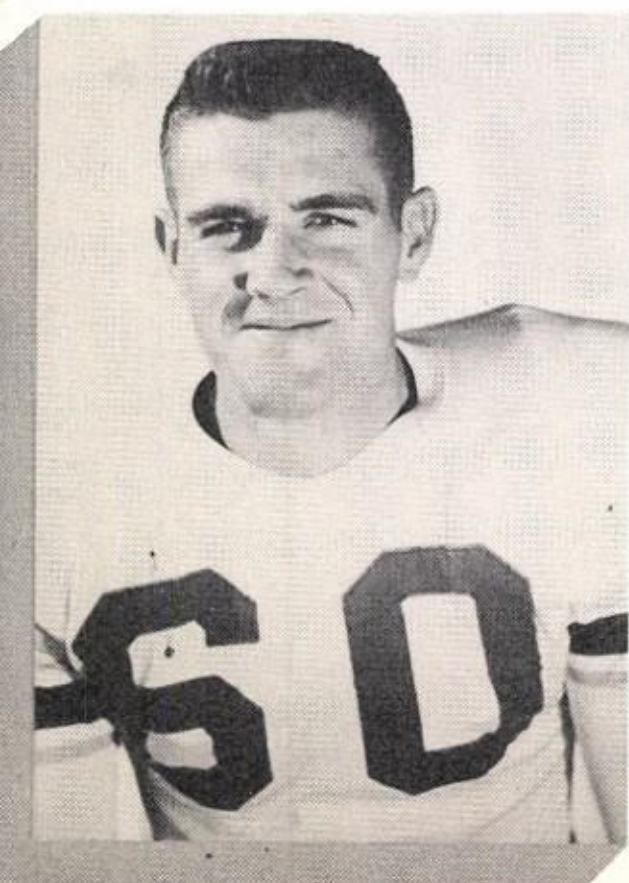

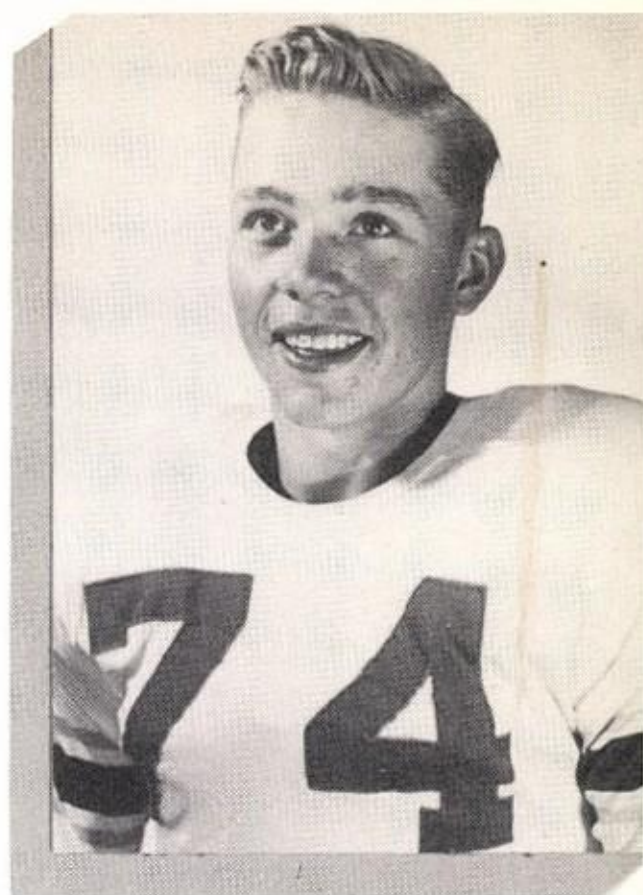

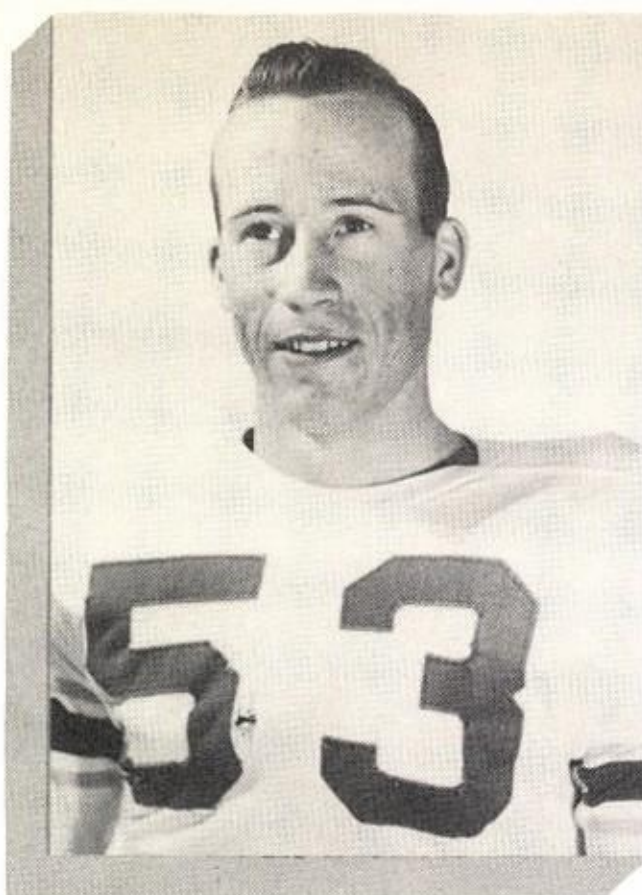

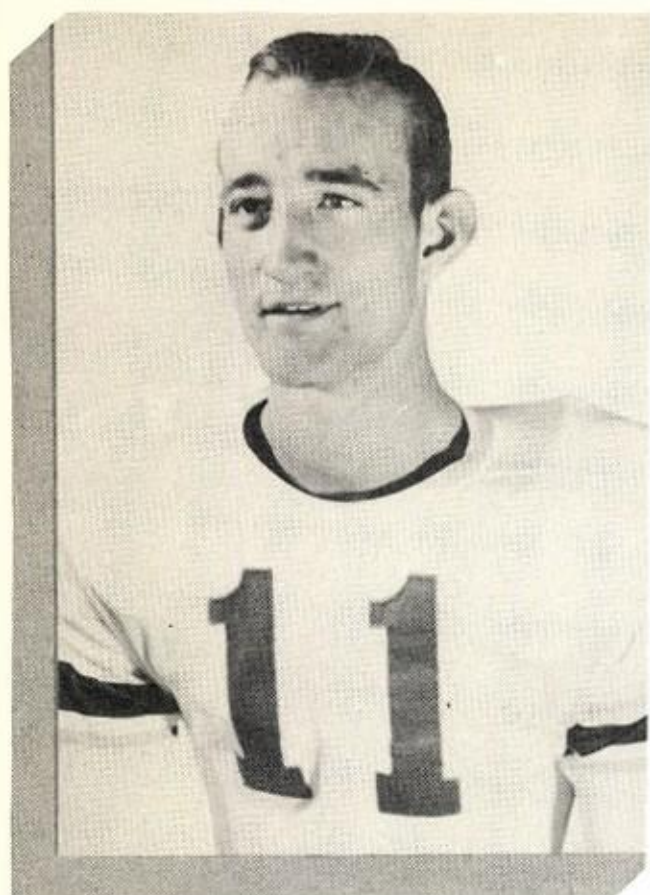

Below:

James Bigbie 60 - Jr. - Tackle. One of the heaviest boys at 175 lbs. Could be one of the outstanding boys at this position. He is a fair blocker and a good defensive man.

Bobby Weiss 50 - Jr. - Guard. Made the starting position at guard. Good blocker but weak on defense. More determination and he can be a good guard.

Don Snider 73 - Jr. - End. Don is light for an end, but he did his best. Better on defense than offense. With a little more weight Don could be a good end.

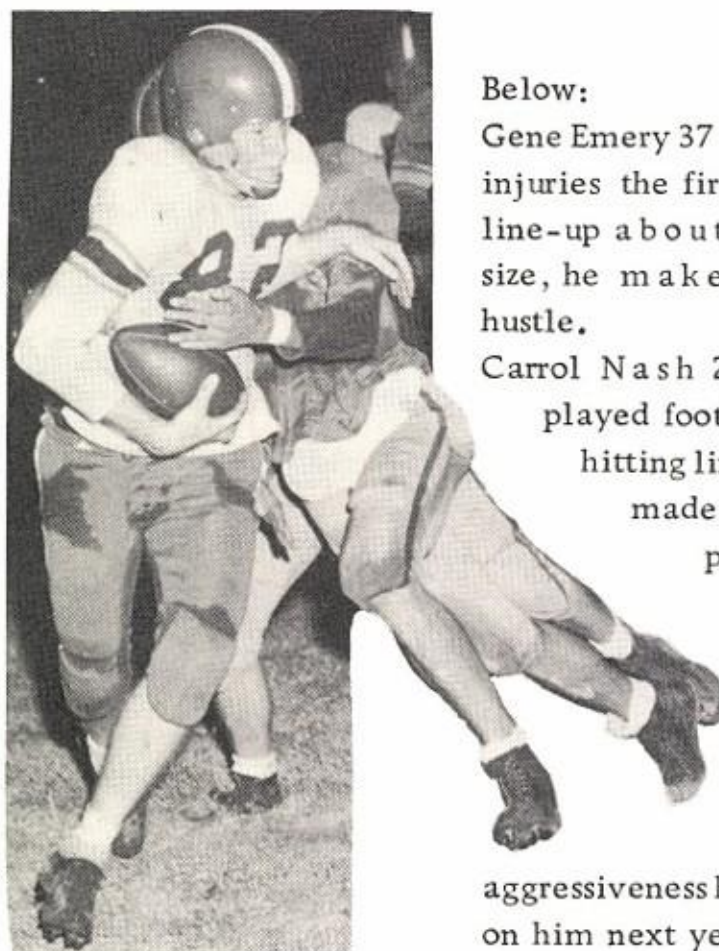

Above:

Wilton Phillips 11 - Jr. - Fullback. Wilton is a hard running back. With a little more ambition and desire he could be the best in the district. We are expecting Wilton to do an outstanding job next year.

Clarence Ashmore 53 - Soph. - Quarterback. Starting quarterback is a good passer and play selector. Has two more years and if he keeps his desire and hustle, he should be one of the quarterbacks on the plains.

C. L. Cowan 74 - Jr. - Halfback. One of the best defensive backs we had. Adapted himself to any position. Good attitude and pretty good hustle.

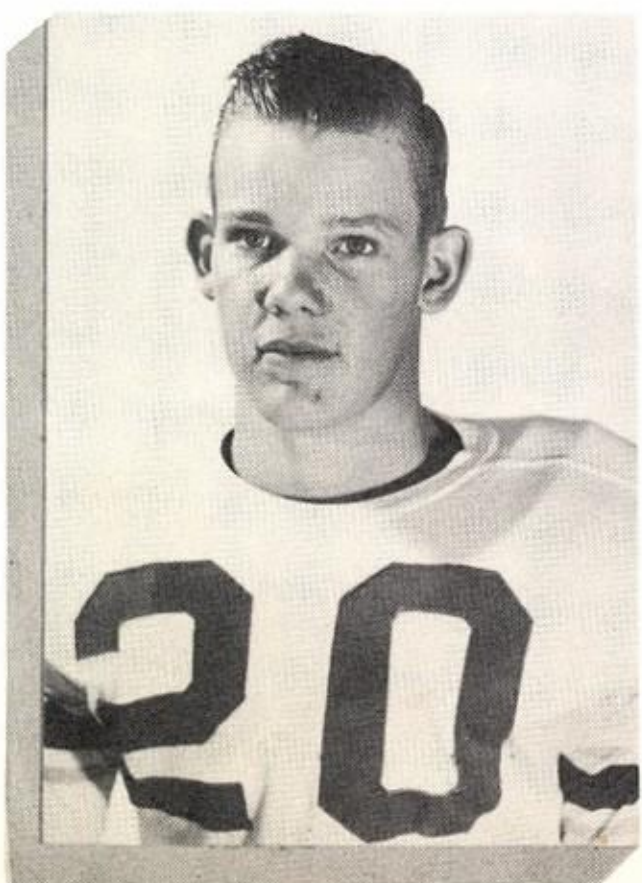

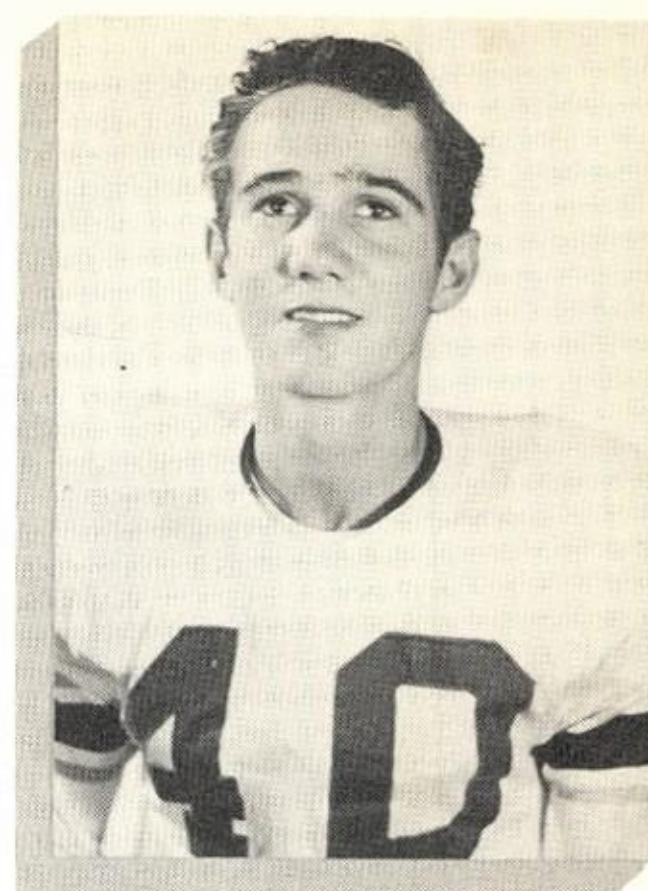

Below:

Gene Emery 37 - Soph. - Halfback. Played with injuries the first part of the season. Gene made line-up about midseason. What Gene lacks is size, he makes up in grit, determination and hustle.

Carrol Nash 20 - Soph. - Guard. Carrol never played football until this year. He is a hard hitting lineman and good defensively. He made the starting line-up and has good prospects of being a top notch guard.

Carl Teeter 72 - Jr. - Tackle. Carl has the potential of becoming a good football player. He has the ability. With a little more aggressiveness he can be tops. We are depending on him next year.

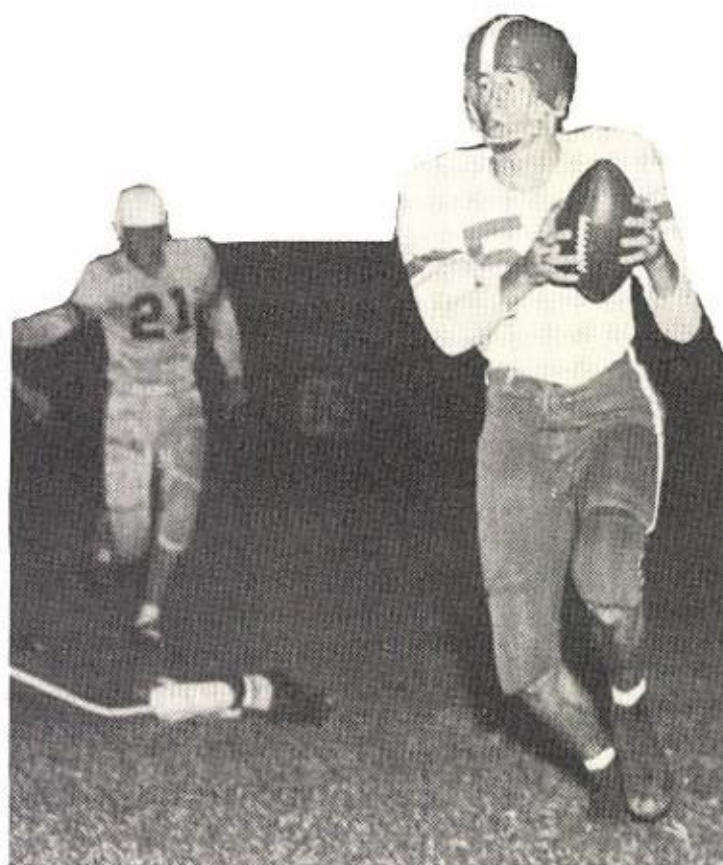

Above:

Charles Price 44 - Jr. - Halfback. Played lots of football. Good runner with lots of hustle. Charles will be missed next year.

Bob Greenhill 40 - Fresh. - Guard. Bob was small but very courageous. He tackled anybody. Had a very good attitude and has prospects of becoming a good athlete.

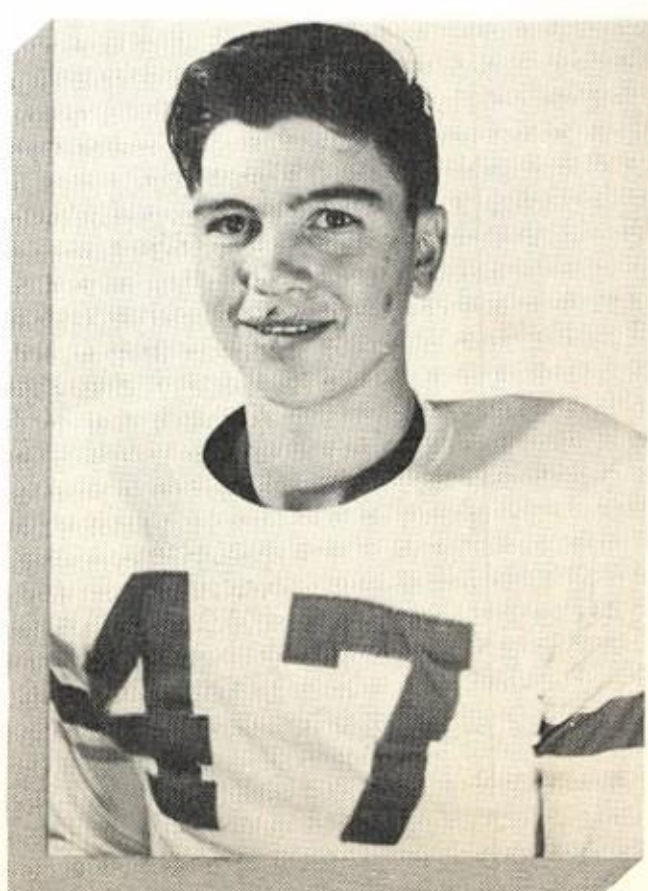

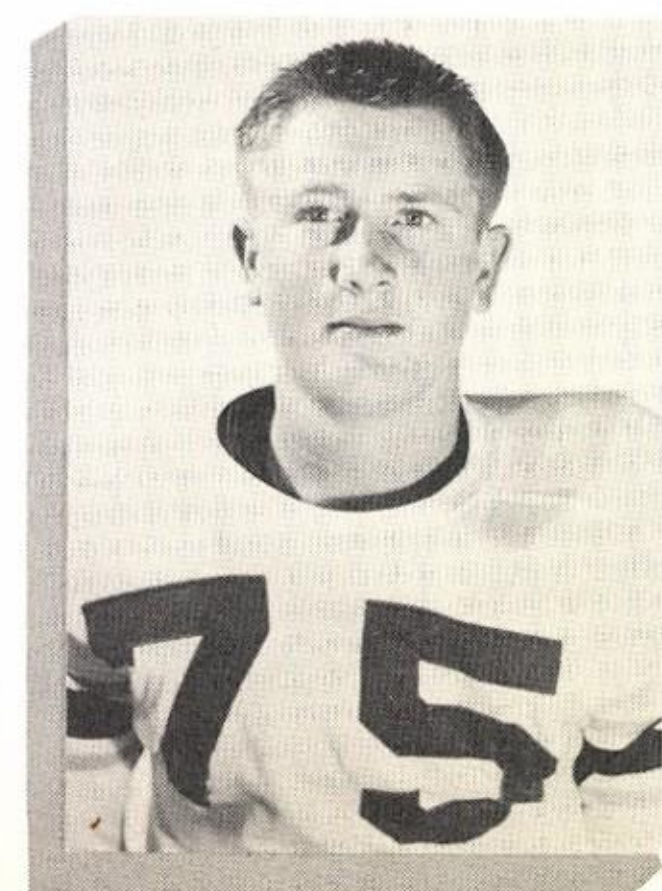

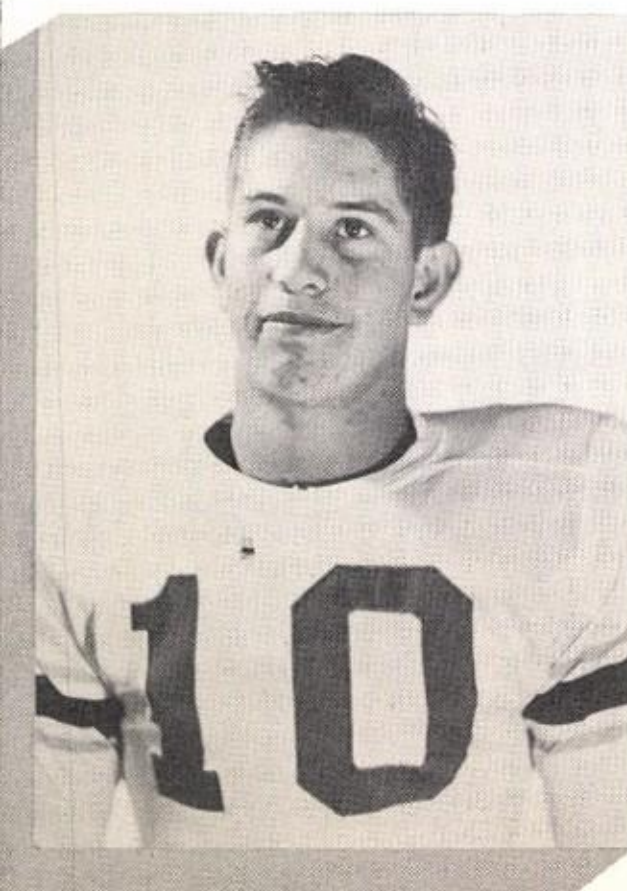

Rodney Smith 40 - Fresh. - Quarterback. Changed from guard to quarterback and did a good job. With more desire and hustle Rodney can become one of our mainstays next year.

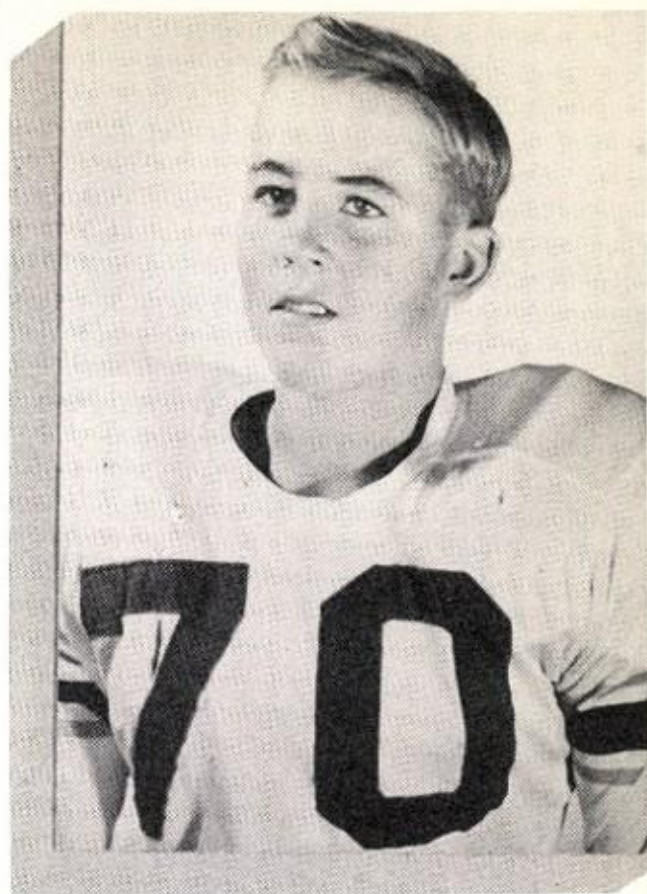

Below:

Gerry Prestridge 10 - Fresh. - Fullback. Gerry started slow but began to show improvement in the late games. With a little determination Gerry can be a good football player. Dale Worthan 75 - Soph. - Halfback. Dale did not come out until after midseason. He has ability for running.

Billy Castner 47 - Fresh. - Tackle. Billy is young and inexperienced. He fought for a starting job at tackle. He was a good blocker. With three more years to go we are expecting great games out of Billy.

Above:

David Cox 83 - Soph. - End. Good pass receiver but really too light for starting position. Good prospect for two more years.

Carl Teeter 80 - Jr. - Tackle. Carl has the potential of becoming a good football player. He has the ability. With a little more aggressiveness he can be tops. We are depending on him next year.

David Cowan 70 - Fresh. - Guard. David worked out with regularity but didn't quite make a letter. Has a good attitude and keeps trying.

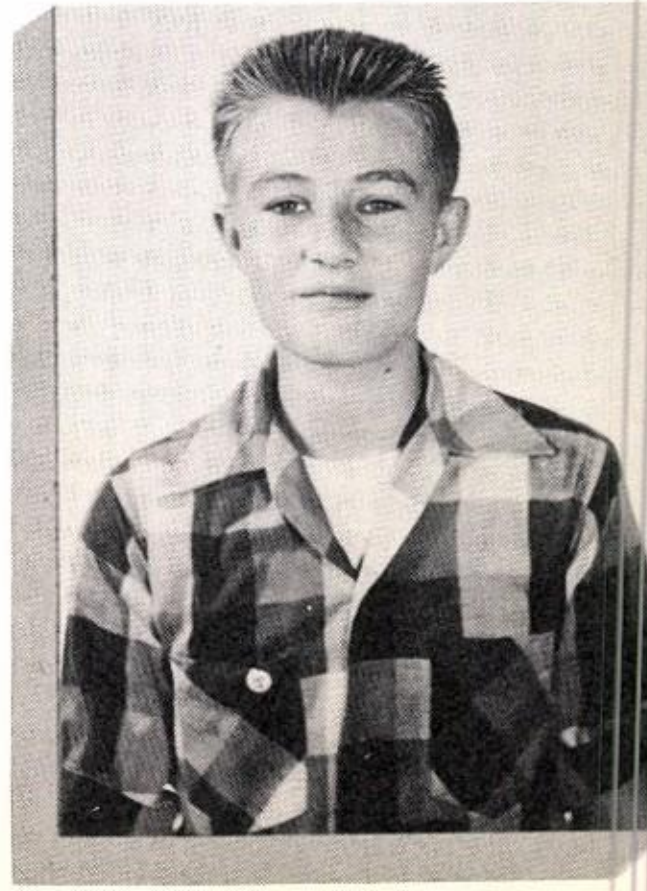

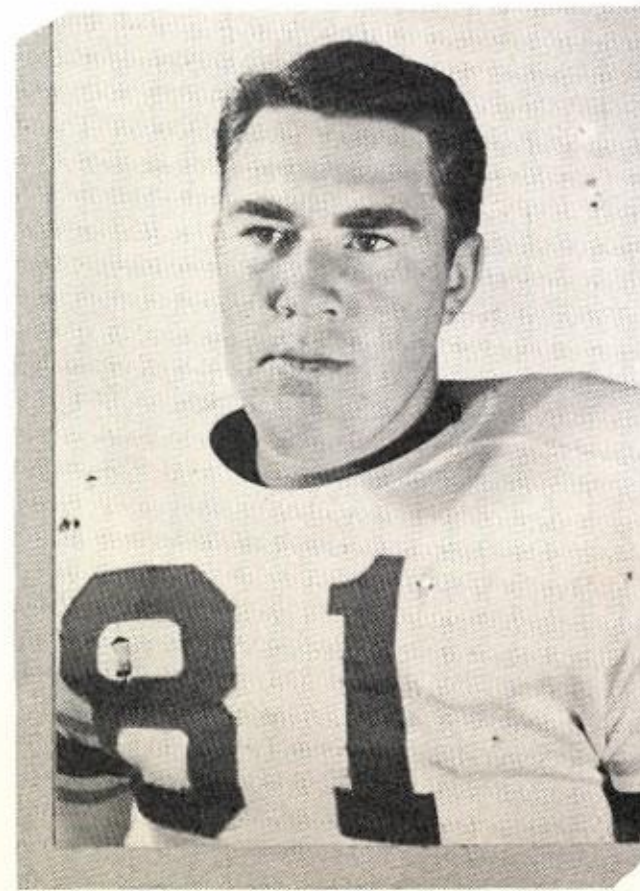

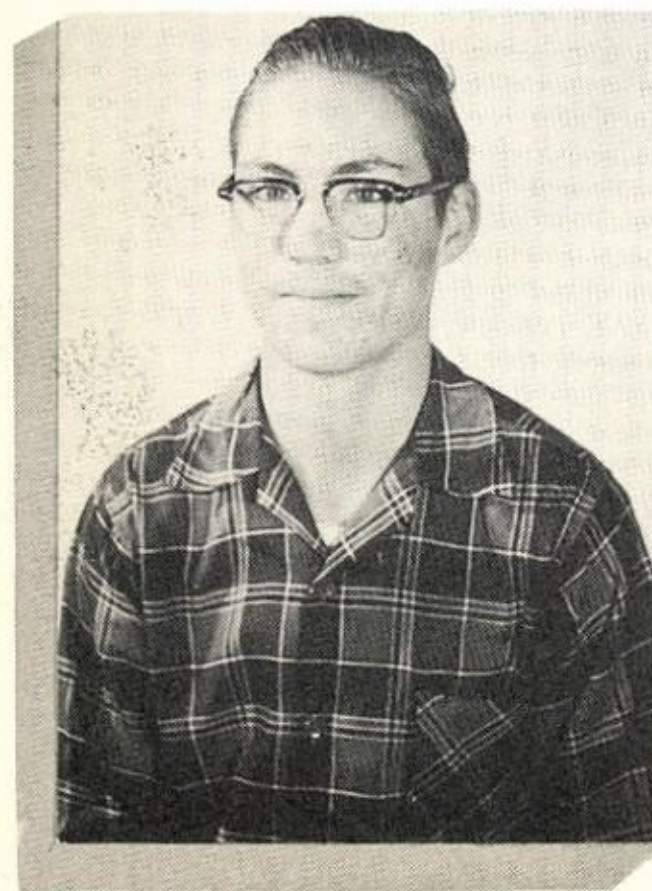

Below:

Johnny Walden - Fresh. - Mgr. Johnny was a very good mgr. We never had to worry about equipment at game time. It was always accounted for. He will be missed next year.

Jerry Deavours 81 - Jr. - Tackle. Good defensive man. With a little more determination Jerry could be a great lineman. We are expecting a lot out of Jerry next year.

Bobby Hogan - Fresh. - Mgr. Bobby did a fine job as mgr. He took his job conscientiously and helped the team.

ACTIVITIES

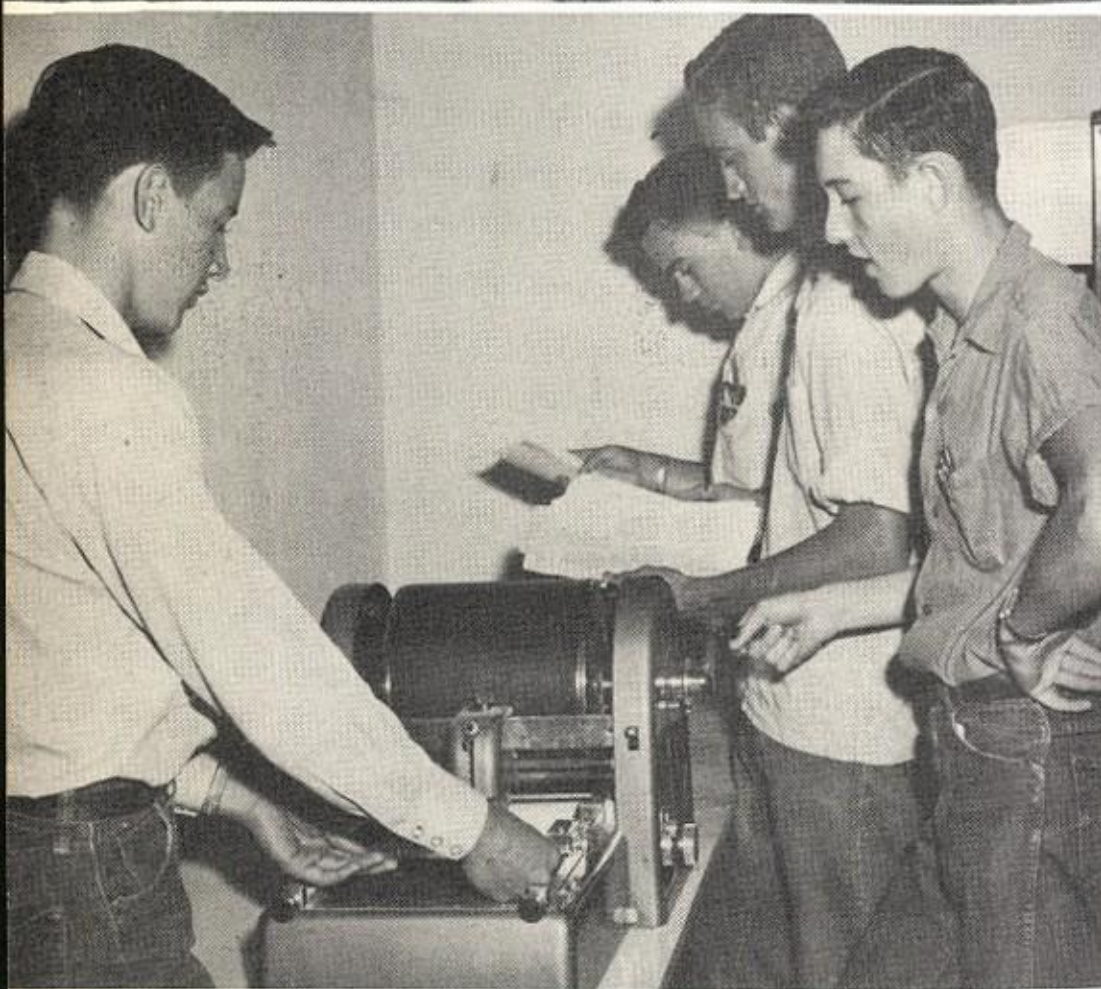

LIONS TALE

EDITOR Linda Miller says it takes a lot of work from a large staff to publish a bi-weekly school paper such as THE ROAR. Besides the numerous reporters from the various classes and organizations, the staff must include competent typists, artists, mimeograph operators, and a large stapling and distribution crew.

Serving as typists and artists for this years ROAR were Terry Essary, Sally Crosnoe, Elvia Davila and Juanita Kelley.

The mimeograph operators included Charles Price, Carl Teeter, Wilton Phillips, and James Exum.

Last but not the least of the operations of publication was the stapling and distribution, here being performed by Carolyn Arthur, Bettye Lincecum, James Exum, Minnie Trammell and Dee Ann Abbe.

SENIOR TRIP

Highlight of any senior's year is the annual Senior Trip. After 12 years of public schooling, many days of planning and fund raising, the seniors of 1955 board the ole' school bus and head for Manitou Springs, Colorado.

It was early Saturday morning, following graduation exercises, when the "all-aboard" was sounded by Principal Ernest Guilliams and Sam Williams' accompanying car was properly identified for the trip.

Around noon each day there was normally a two hour delay while everyone satisfied any hunger pains that may have accumulated. On Sunday morning, everyone was decked-out in their Sunday best to attend local church services in nearby Colorado Springs. In the afternoon there was time for the entire group, with "rare" exceptions to go horseback riding.

Monday morning was spent high in the mountains at the "ghost town" of Cripple Creek where the group toured a

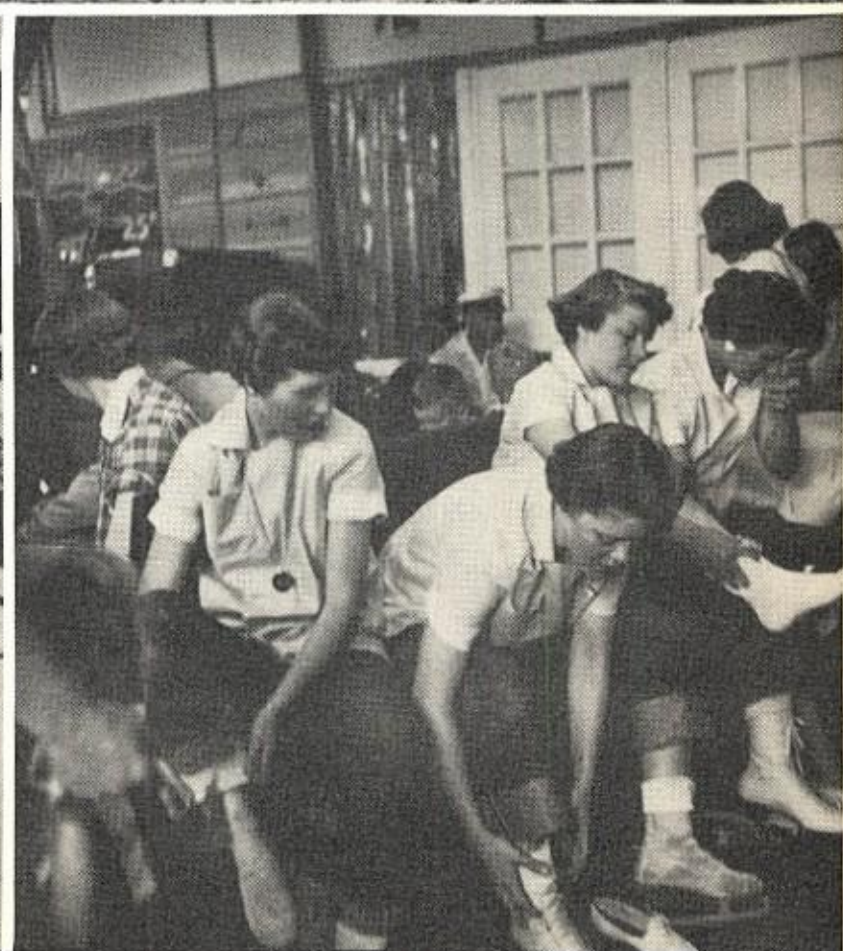

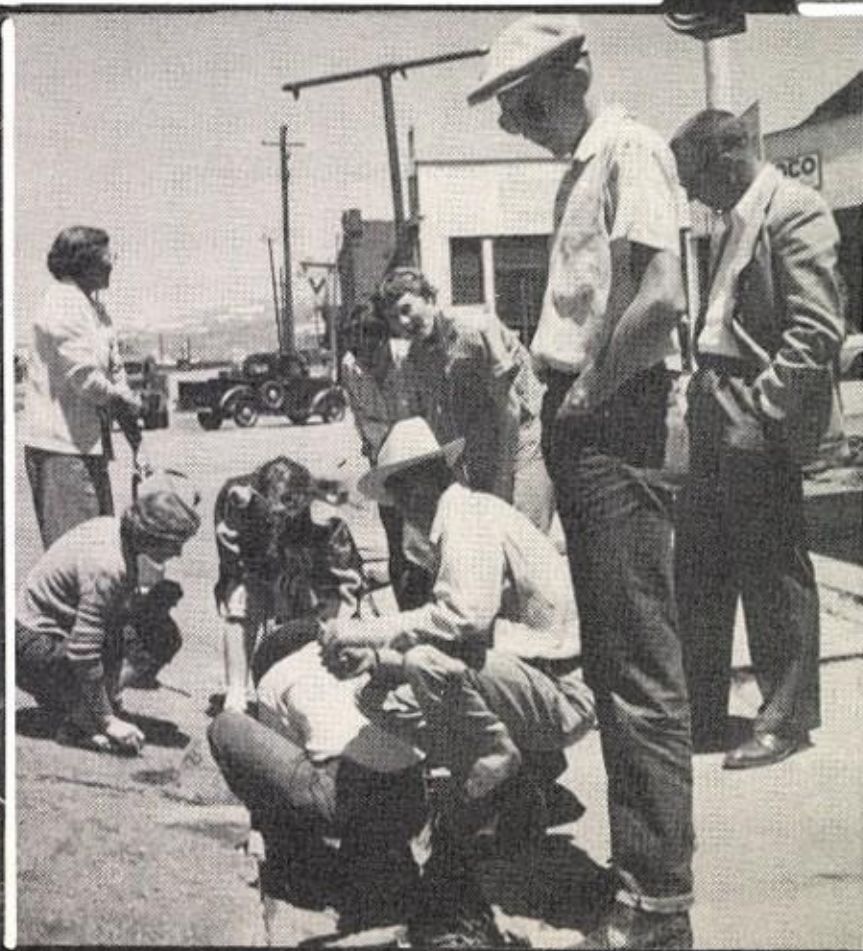

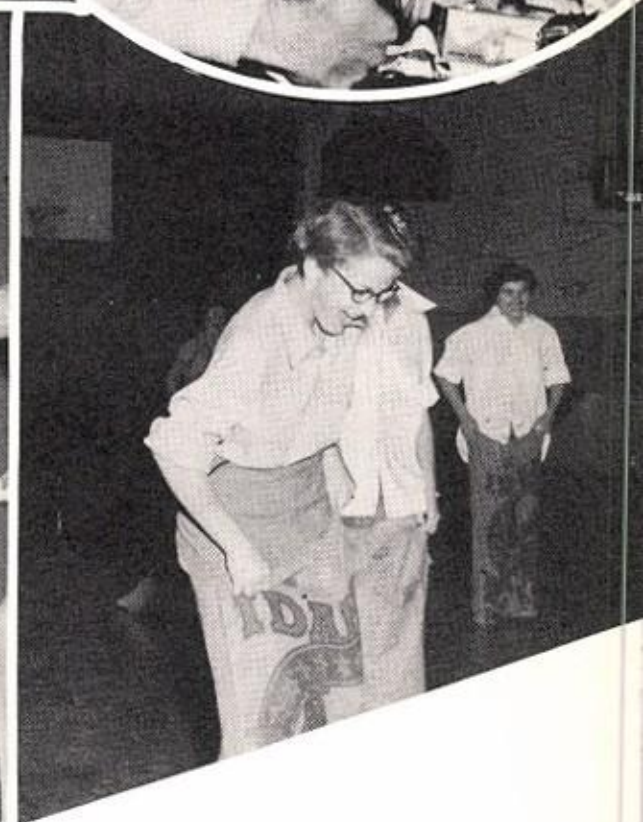

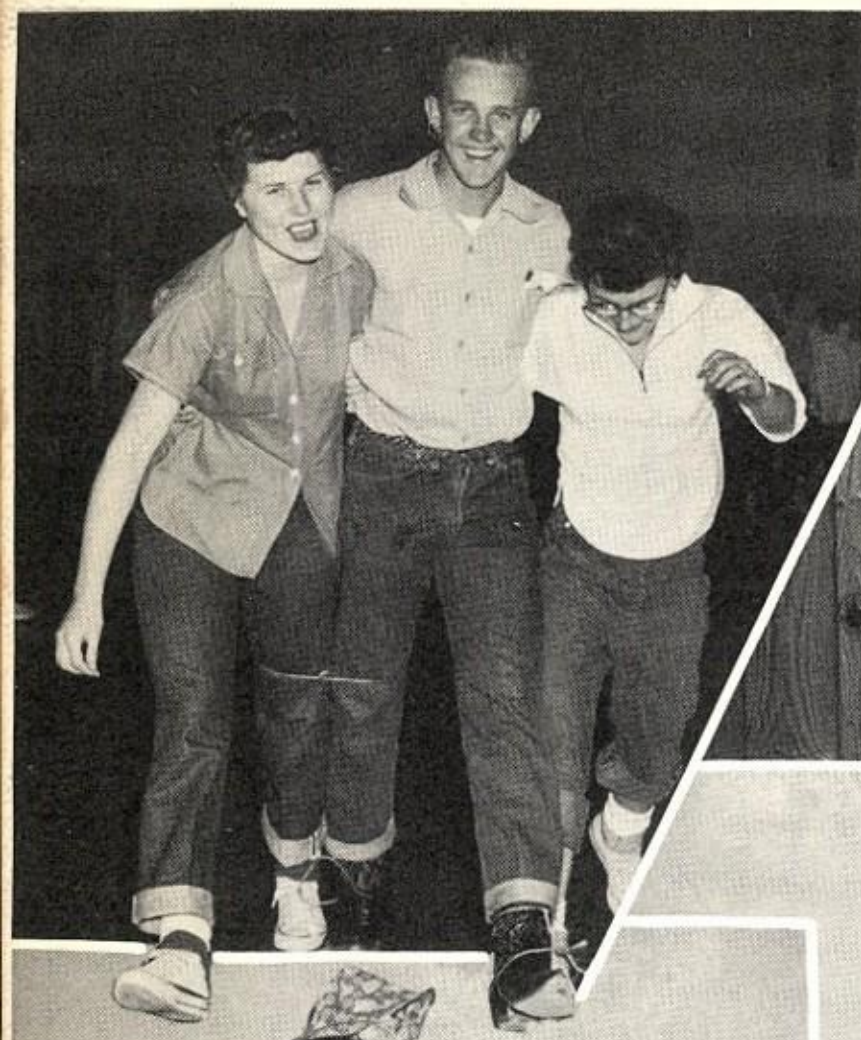

working gold mine, visited the local museum and tried to "pan" a few gold nuggets from the street gutters. In the afternoon there was an attempt made to do some swimming and ice skating at the Broadmoor Hotel; it was a weary bunch that came off the ice that day. A few hardy seniors even came back and did some more horseback riding.

Tuesday was the day for quite an excursion over to Canon City and Royal Gorge. There the seniors toured the state penitentiary and rode the incline railway to the bottom of Royal Gorge, a breath-taking ride, a splendid sight.

Local attractions in and around Manitou Springs were the order of the day Wednesday. These included the Cliff Dwellings as well as Garden of the Gods and famous Seven Falls. The trip home started early Thursday morning and by nightfall the ole' bus and the 1955 Senior Trip was at the end of the line.

NEVER A DULL MOMENT

Across the top:

Winners of the 3 legged race, SENIORS, Jerry, Eugene, and Rita; Heavy daters at one and perhaps all the Sophomore parties, Carroll and Clara; then Coach Leminack gets backed into a blind corner where he gets blindly smacked by Jerry while Jo-Ann, Peggy, Bessie and Yvonne admire the proceedings.

Trying to "outgrab" each other are Billy and Annetta, 8th graders; while T. J. tries to protect his Christmas "present" from a hungry mob which includes Eugene, David, Billy, James, Don, Wilton, and Charles.

Larry explains it to David, Clarence, and Dale; Merle sings while someone tries to swipe Shirley's sucker; Some potatoes, eh! Carolyn and Jonnie.

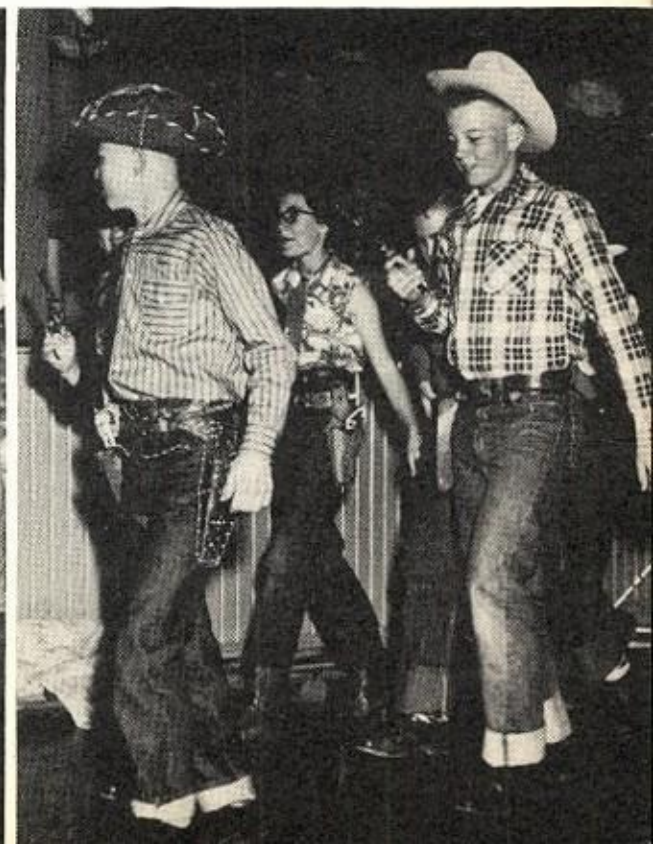

TOM THUMB'S CIRCUS

The acts: "Under the Big Top, Winding the Maypole, Queen of the Fairies, Mr. Ringmaster, Walking the Tightrope, and Cinderella Returning from the Ball."

CAVALCADE OF TEXAS

The scenes: "Cotton Pickin Time in Texas, Texas or Bust and Gun-totin Cowboys."
